Dear James, Gary, and the whole NAIT Motorcycle training program team,

The results from the first AME Magazine Awards are in.

On behalf of AME Magazine, and all the Motorcycle Enthusiasts in Alberta we would like to say congratulations to you and your team. The NAIT Rider Training Program has been nominated as one of the favourite motorcycle training school / facilities in Alberta.

The AME Magazine awards recognize the companies and services that best live up to our magazines mission of serving the Alberta Motorcycle Enthusiast.

The Favourite motorcycle rider training school / facility award is for the motorcycle training facility that demonstrates excellence in the development of new or returning riders. What makes these Awards special is they are voted on by enthusiasts from all over the province. In fact the NAIT Rider Training Program received the highest number of votes in this category. 52% of votes cast in this category were assigned to your training program. Congratulations as being the top vote getter in this category.

We are proud to be associated with such a fine organization. In your first year you have made such an incredible positive impact on motorcycling in Alberta and the motorcycling community thanks you. Congratulations and please keep up the good work. We would also like to set up a time in February where we can present you with the award, and we would like to follow up the award with a profile / showcase of your training program in a future edition of AME.

Thanks for being part of the Alberta Motorcycle Community.
